

THEPORT

CADDO - BOSSIER

Greenfield Sites

The Port has several Greenfield sites ready for industrial development with existing paved roads to the site or its boundary line. Utilities are already available or can be made ready within 180 days. Some sites have direct rail and barge access and rail spurs can be added as required.

The following links offer detailed information on available sites:

- [North Whittington](#)
- [Scopini Island](#)
- [Ron Bean](#)
- [Tensas Delta](#)
