Friday July 2, 2021**

The following changes, correction, and additions to the drawings and specifications are hereby made a part of the Contract Documents for the referenced project. Contractor shall acknowledge receipt of all Addenda on the Proposal (Bid) Form.

ELECTRICAL

1. The 32 emergency light fixtures that are being installed in the warehouse will be replacing 32 existing emergency light fixtures.

PRIOR APPROVALS:

PRIOR APPROVALS: Note: Any person or company that is prior approved via this addendum or any future addenda, if required by state of Louisiana, shall be licensed to do business, or provide products for this project. Prior Approving products or manufacturers does not alleviate this requirement. Also, prior approval does NOT mean any product or system approved does not have to meet the minimum requirements of all products and services specified for this project.

Prior Approvals must meet or exceed specified requirements.

1. ACI Building Systems appears to be acceptable as a Metal Building Manufacturer and supplier of materials. Product must meet or exceed all specified requirements.
